Criteria 7.3

**Portray the performance of the Institution in one
area distinctive to its priority and thrust within
1000 words**

- 1) Global College being an Engineering College believes in providing technical training. It focuses on providing on demand technological skills and necessary skills to make them job ready. We help them to become experts in fields of project management, Programming, App development etc. which all are the higher demand of the industry. With 1.5 million engineering graduates emerging every year there is an urgent need to upgrade the courses. The College being Affiliated College, tries to overcome the challenge through miscellaneous events like Certification, providing hand-on training, encouraging participation in Hackathons, conducting Tech feast etc.
- 2) The institution has a uniqueness of working towards a paperless office. The College has its own Institute Student Management System, which offers facilities such as- Student database management, Scholar registration management, Enrolment and Examination process system, Fee Submission, Account management, Library management. Attendance of Faculty members as well as students are monitored through ISMS. Leave management, salary management and other official tasks.
- 3) The objective of the ISMS is to provide Digital Empowerment to the Students. ISMS provides all the services Online to the Students and Institute, such as Admission and fees submission, Enrolment Process and Examination Process System, Account Management, Fee Collection Management on anytime from anywhere. On ONE CLICK all the required data is made available.
- 4) Having own created software for regular use fulfills the need based requirements of the institution, which boosts productivity and improves work efficiency.
